

Earthquake, Tsunami, Nuclear Power Plant accident , and next...

K. Muto

Agenda

1. Volunteer work in Sendai
2. Present situation of Fukushima
3. What's next ?
4. Let's do what we can.
5. Conclusion & Q&A

1. Volunteer work in Sendai

- 2011/08/22- 08/25 at Shichigahama (meaning Seven beaches) just east from Sendai

- Beach side sea shore including pine tree area has been cleaned up!!

2. Present situation of Fukushima

- Then visited Onahama in Fukushima

Fukushima
Nuclear
power Plant

Onahama
Approx 50
km south
from power
plant

Still the same as just after the quake

and its population is now reducing.

3. What's next ?

- More volunteer work ?
- More Donation ?
My club donated 1,000,000 Yen to Red cross .
Where is our money and has it been for
people's life ?
- Rebuild the town as ' Smart city' by using
renewable energy, not nuclear power .
- How about Fukushima's case ?

4. Let's do what we can.

- Let's think about what we can !!
JFKennedy said : 'Ich bin ein Berliner'
after Berlin Wall constructed.
- To be proud of Fukushima Japan

Let's say , I'm a Fukushima citizen

5. Conclusion and Q&A

We are now in the middle of turning point of energy usage for sustainable growth.

Let's think about how we can do it from now on like 'think globaly act localy'

I'm now thinking to act ...

Thank you very much
